

Cutting-Edge Truckmounts

New!

Industry-leading technology for superior performance, better cleaning and longer life

All machines include high-strength aluminum frames, exclusive heat exchange designs, last-step chemical injection and the industry's best warranty.

All exhaust components are coated with Cerakote® to reduce internal van temperatures and ensure a longer life for your truckmount.

370SS

Cleaners have made it the #1 truckmount!

- Hottest water and strongest vacuum of any truckmount in its class
- Best fuel efficiency, greater reliability and simpler maintenance
- Space-saving profile – half the footprint of other truckmounts

POWER PLANT	Kohler 23 HP air-cooled engine
VACUUM PUMP	Gardner Denver TriFlow® 406 blower
SOLUTION PUMP	General Pump producing up to 3.5 GPM
LEGEND REWARDS	10,000 points

PEAK 500

Liquid-Cooled Longevity, Superior Value!

- Quick warm-up and holds the heat using 6-flow wand
- Lowest-cost liquid-cooled large class machine that's California CARB-compliant!
- Economical to operate – consumes only 1 gal. of fuel per hour

POWER PLANT	Kawasaki 31 HP liquid-cooled cast iron gasoline engine
VACUUM PUMP	Gardner Denver TriFlow® 406 blower
SOLUTION PUMP	General Pump producing up to 3.5 GPM
LEGEND REWARDS	12,000 points

APEX 570

More Consistent Heat, Even Longer Life

- Liquid-cooled engine with patented triple-source thermal well system
- Increased cleaning power – 1500 PSI and 5 GPM for hard surface cleaning
- Higher blower CFM ensures better dry times

POWER PLANT	Kubota 31 HP liquid-cooled cast iron gasoline engine
VACUUM PUMP	Gardner Denver HeliFlow® 408 helical blower
SOLUTION PUMP	General Pump producing up to 5 GPM
LEGEND REWARDS	15,000 points

EVEREST 870HP

Serious Power for the Most Serious Pros

- Maximum extraction with 1, 2 and even 3 wands
- Abundant HOT water – the best of Sapphire Scientific heat exchange with proven Prochem water box system
- Ultimate cleaning temperature control
- Economical – uses E-Idle to save up to 23% in fuel

POWER PLANT	Kubota 4-cylinder 57 HP liquid-cooled fuel-injected engine
VACUUM PUMP	Industrial-grade Euris blower
SOLUTION PUMP	General Pump with up to 5.6 GPM
LEGEND REWARDS	25,000 points
