

PROCHEM®

Trusted. Dependable. *PROVEN.*

UltraPac® **EXTREME**

This ultra-powerful solution for all cleaning challenges outcleans other pre-sprays at an economical price. Its unique formulation dissolves fast, even in cold or hard water, and stays stable up to the hottest truckmount temps.

6 lbs. / 2.7 kg jars (**\$785** – case of 4)
 RTU pH: 12.3

UltraPac® Trafficlean

The ultimate VOC-compliant traffic lane cleaner. Highly concentrated prespray for tough jobs that require strong chemistry to loosen and remove soiling in commercial or residential carpet. The most-used product in the cleaning industry, it sets the benchmark for presprays.

1 gal. / 3.8 L bottle (**\$712** – case of 4)
 RTU pH: 9.5-9.8

Dry Slurry® Detergent

Trusted by 1000s of truckmount operators worldwide, Dry Slurry leaves carpets looking like brand new. Advanced chemical formulation that is safe for use with all chemical injection systems.

6.5 lb. / 2.9 kg jars (**\$776** – case of 4)
 RTU pH: 9.6-9.9

Also available in 48 lb. / 21.8 kg pail and 370 lb. / 167.8 kg drum

All Fiber Rinse

Industry's bestselling acidic rinse for neutralizing alkaline residues plus preventing and removing wicking. Safe for most carpet including wool and for most upholstery fabrics.

1 gal. / 3.8 L bottle (**\$109** – case of 4)
 RTU pH: 4.5-5.5

Also available in 5 gal. / 18.9 L pail and 55 gal. / 208 L drum

All Fiber Deep Clean

Unique acid pH rinse that cleans and encapsulates soils. Provides maximum soil removal with a neutralizing rinse. Safe for use on virtually all carpets including wool.

1 GAL. / 3.8 L bottle (**\$103** – case of 4)
 RTU pH: 5.2-5.8

Also available in 5 gal. / 18.9 L pail and 55 gal. / 208 L drum

Citrus Crush

When you need to crush soil and grease, trust its perfect blend of proprietary cleaning agents and d-limonene to provide crushing performance on oily soils. Ultra concentrated and economical!

6.5 lb. / 2.9 kg jars (**\$783** – case of 4)
 RTU pH: 11-11.5
